DATE FILED: 7/18/22

In light of defendants' current counsel's letter explaining the imminent change in defendants' representation, the Court agrees that a short extension of the briefing schedule regarding plaintiff's order to show cause for an order of attachment is appropriate.

As such, the order to show cause hearing shall now be held at 12:00 P.M. on Thursday, August 4, 2022. Defendants' answering papers shall be due by 12:00 P.M. on Wednesday, August 3, 2022, and reply papers, if any, shall be due by 10:00 A.M. on Thursday, August 4, 2022.

The Temporary Restraining Order entered by the Court on July 15, 2022 at 3:07 PM (Dkt. No. 49) and set to expire fourteen (14) days thereafter will be extended, for good cause, until the conclusion of the August 4, 2022 hearing, to preserve the status quo while allowing defendants a full and fair opportunity to oppose plaintiff's request with the counsel of their choosing.

So Ordered.
